

Waste Management, in partnership with Brevard County, introduces a new cart program for garbage and recycling services for the community.

STARTING SEPTEMBER 30th, 2013.

Dear Brevard County Resident,

We look forward to continuing to service the residents of Brevard County and helping your community be as clean - and green - as possible. Waste Management will collect garbage twice a week and recycling and yard waste once a week on your designated service day. **YOUR SERVICE DAYS ARE LOCATED ON THE TOP OF YOUR CARTS.** When using automated carts, please keep a 3' distance between carts and away from mailboxes or other objects. Don't park cars in front of or close to your carts. Making the transition to the cart program will be simple. Here are a few things to keep in mind:

Single Stream Recycling Service

This means you can put all your recyclables together in one cart, no sorting needed! Use your green cart with the yellow lid to place all your standard recyclables together. Place your cart at the curb after 12 noon the day before collection or by 6:00 a.m. on your collection day. Your cart must be removed from the curb by noon the day after collection.

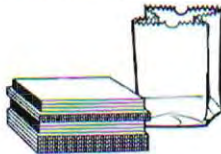

Newspapers (Periodicos)
Magazines (Revistas)
Junk Mail (Desperdicio de Correo)
Phone Books (Libros Telefonicos)
Office Paper (Papel de Oficina)

Glass Bottles Jars
(Envases y Botellas de Vidrio)

Aluminum Cans & Foil
(Papel & Latas de Aluminio)
Aerosol Spray Cans, Tin & Steel Cans
(Latas Vacias de Aerosoles, Fierro y Estaño)

Flattened Cardboard
(Cartón aplanado)
Brown Bags
(Bolsas de Papel)

Plastic Bottles and Containers #1-7
(Botellas de plástico y recipientes #1-7)

Paperboard, Milk and
Juice Carton
(Envases de carton de
lácteos y jugos)

Garbage Service

Use the green cart with the green lid for garbage. Place your cart at the curb after 12 noon the day before collection or by 6:00 a.m. on your collection day. Your cart must be removed from the curb by noon the day after collection.

Yard Waste Service

PLEASE DO NOT USE YOUR GARBAGE OR RECYCLE CART FOR YARD WASTE.

Your service day is located on the top of your garbage cart. Loose materials such as pine needles, leaves and small twigs must be containerized in reusable garbage cans, maximum size is 40 gallons. (**PLEASE DO NOT BAG YARD WASTE.**) Place your yard waste can at the curb after 12 noon the day before collection or by 6:00 a.m. on your collection day. Your container must be removed from the curb by noon the day after collection.

- For the safety of our employees, branches and limbs can be no longer than 4 feet in length, 24 inches in diameter, less than 50 pounds in weight, and must be stacked uniformly within 5 feet of your curb.
- Hired landscaping, land clearing or tree trimming services must remove any vegetative waste they generate, per Brevard County *Ordinance No. 94-49*.

Holiday Schedule

Waste Management will not furnish collection service on the following holidays

- Memorial Day
- Fourth of July
- Veterans Day
- Thanksgiving
- Christmas

There will be no make-up days. **RESIDENTS WILL BE SERVICED ON THEIR NEXT SCHEDULED SERVICE DAY.**

Bulk Items

Waste Management will collect bulk items at no additional charge. Up to four tires without rims will be collected curbside per year. Contact Waste Management to schedule a bulk collection.

What is a bulk item? It's an appliance, piece of furniture, or some other residential item that's too large for a container.

Construction and Demolition or Landclearing Debris

The owner of the property where construction and demolition (C&D) debris or landclearing debris is generated is responsible for the proper removal and disposal. C&D debris generated on residential properties from a homeowners do-it-yourself project, that can be placed in a solid waste receptacle or cut in lengths not to exceed four feet and not to exceed 50 pounds in weight, may be placed out for regular curbside collection.

Household Hazardous Items

Waste Management will not collect solid or liquid household hazardous waste. Examples include paint; pesticides; petroleum derivatives, such as motor oil and solvents; and explosive items. For information on disposing of household hazardous waste, call (321) 635-7954 or visit www.brevardcounty.us/solidwaste

Electronics Recycling

Contact Waste Management for electronic recycling including computers, laptops, monitors, keyboards & mice, scanners, printers, fax machines, stereos, radios, DVD/VCRs and televisions.

Old Recycle Bins and Garbage Cans

Residents have the option to keep their old recycle bin or Waste Management will collect and recycle them starting the week of **September 30th, 2013**. Place your old recycling bin inside your recycling cart for collection.

If you would like to discard your old garbage can, please place a note on it indicating you want it picked up. All 40 gallon containers or less can be utilized for yard waste.

Additional Carts

Residents can purchase or rent additional carts by contacting Waste Management. Additional carts can be purchased for \$75 each or rented for \$4.00/month (\$48.00/year). Carts purchased at Home Depot and Lowes must be compatible for automated collection.

Requesting a 96-gallon or 36-gallon Cart

Residents may contact Waste Management at the numbers below or Brevard County at (321) 633-2042 to request a different size cart. There is no charge within the first 60 days from the start of service (September 30th, 2013) to switch out the standard issued 64-gallon carts. A \$25 delivery fee will be charged for each cart change after December 1st, 2013.
